

ANNUAL REPORT – 2022-23

The Annual Report showcases the achievements and glories of our school undoubtedly, but also makes us think deeply about our shortcomings. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. We set standards and goals for ourselves and strive to achieve them – be it in the area of academics, sports, discipline, leadership and more.

Academics is the core focus of our school. All the possible efforts have been taken and we will continue to take, to ensure academic excellence in our school. We believe that excellence in academics is the hall mark of our school, as a good institution.

This year we had come out COVID-19 induced online classes and we saw students in full fledge started coming to school for face to face class with lot of obstacles and learning gap. In fact, it was challenge for school, teachers, and parents to handle the kids during or after class hours. Despite the obstacles we modified the curriculum and created a robust assessment pattern to assess our students for all classes and get the best out of them.

Our partners are 321 Param, TedEd Club, Rotary Club, Times Now NIE, Fit India School, Global Shapers, Oxford University Press, Eduflex, Firefly and many more with whom we are happily associated with.

Mission and Vision

“The aim of Raintree School is not only focus on the set curriculum but to give our children holistic learning beyond the textbooks. For this, we planned an array of activities. Some of the activities and occasions we have conducted in our school are mentioned below.”

– Jayant Gauri, Chairman

The Academic year in a glance:

May – 25th Teachers Orientation

Teachers are the guides but at times they too need guidance. The teachers are guided and trained by the best educationists. They are led under their true leadership and supervision who possess a broader vision for students and teachers.

For the development of the teachers, the school holds 'Teacher's Orientation Programs' for the application of pedagogy, methodologies and up-to-date global information that enables the teachers for broader visualization and to understand the psychological behaviour of

different students that aims 'No Child Is Left Behind'.

June – 6th Pre-School reopens with celebration of Environment Day

Environment Day celebrated in our school to bring awareness on environmental issues as pollution, overpopulation, global warming, sustainable development and wildlife crime.

June – 12th – Running Event

Raintree school students along with their principal participated in a running event, organized by Runaddicts-Rajarajeshwari Nagar for a cause-"to educate rural children" as their annual run for the 4th year on Sunday, 12th June 2022.

It was a well-organized event where all the participants and our students enjoyed very well. All our students and the principal run for 3km, on completion received finisher's medal and certificates.

Environment Day - June 5th 2022, where students showed their love for trees and plants by taking oath for plant more saplings and to make environment greener.
